Allure Breeze; the epitome of luxury.

This perfectly on-trend covering provides a contemporary and welcoming aesthetic to any living space. With its individual fabric vanes, Allure Breeze can be walked through, and without the addition of weights or chains they are silent in the breeze.

The soft fabric vanes hang effortlessly from a wand operated, low-profile vertical track and fold neatly to the side providing a minimal stack.

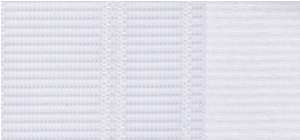

Its clever design means Allure Breeze is ideal for large sliding doors and is truly a breeze to install.

*Welcome to luxury...
